

Brand Guidelines

MARCH 2026

1 - BRAND IDENTITY

1.1 Primary Logo

This is the primary mark that should be used on all collateral.

[Click here for files](#)

1.2 Secondary Logo

The secondary marks should be used sparingly or only on collateral that wouldn't be suitable for the primary mark to have an impact.

This version is not to be used inside other frames, such as in circular social media profiles.

1.3 Symbol

The symbol without the word 'Superteam Brasil' is to be used in spaces where the name already is mentioned adjacently, in formats such as X and Youtube.

1.4 Colour Variations

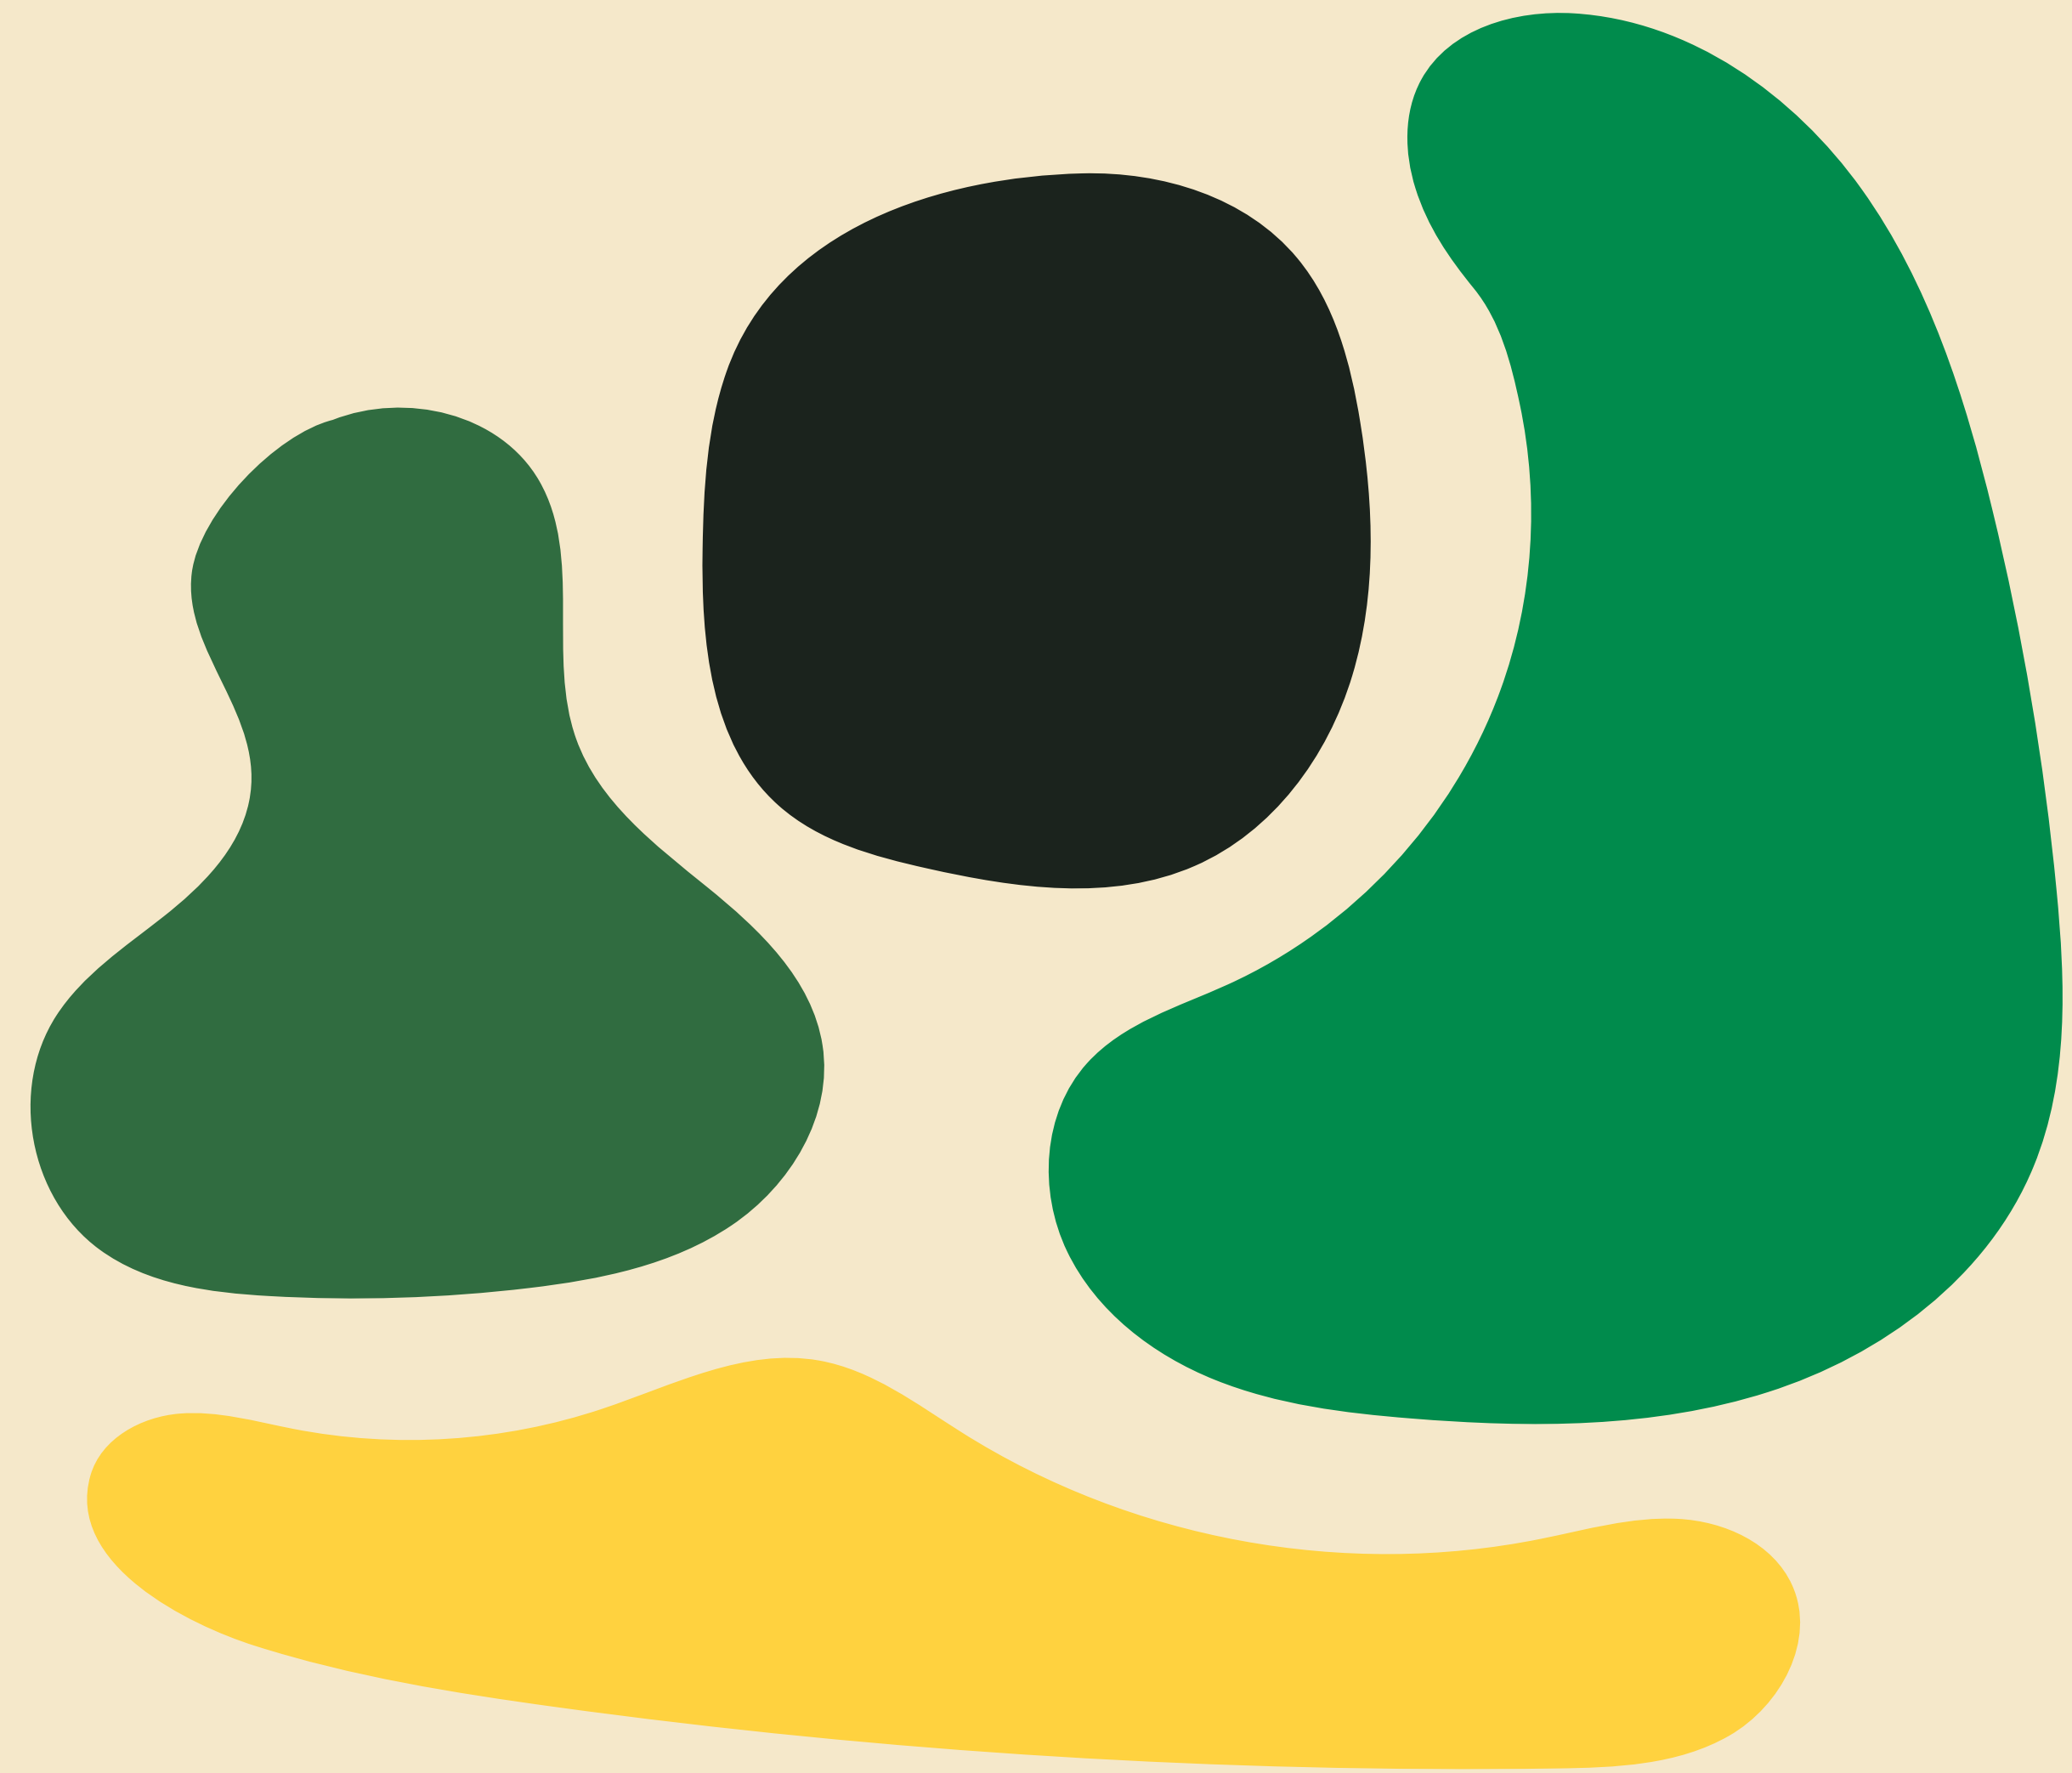

The Superteam Brasil logo is available in multiple colour combinations to ensure flexibility and consistency across different backgrounds and applications.

1.5 Organic Shapes

Superteam Brasil uses fluid, organic shapes as part of its visual language. These shapes have no fixed form and can be freely adapted to each application, always following the brand colour palette.

1.6 Clear Space

There is a strict exclusion zone around the logo. For the primary logo, the minimum clear space is defined by one third of the logo's height on all sides.

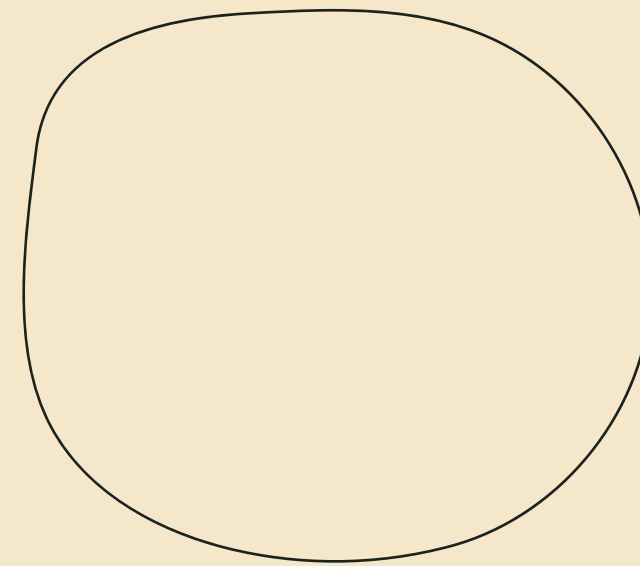

For the secondary logo, the minimum clear space equals the width of the symbol.
